**PUBLIC NOTICE NO. 12/2015**

As per the extant provisions, an exporter is required to submit the SDF form along with Shipping Bills for export of goods. RBI has recently dispensed with the SDF in case of exports taking place through the EDI ports vide Foreign Exchange Management (Export of Goods and Services) (Amendment) Regulations, 2015' and A.P (DIR Series) Circular No. 101, dated 14.05.2015. Consequently, RBI has desired that the declaration of foreign exchange remittance under the Foreign Exchange Management Act, 1999 (given below) may be made a part of the Shipping Bill.

“I/We undertake to abide by Foreign Exchange Management Act, 1999, as amended from time to time, including realization/repatriation of foreign exchange to / from India.”

2. Board has also issued Notification No. 46/2015-Customs (N.T.) dated 18.05.2015 to incorporate the aforementioned declaration in lieu of SDF in the Shipping Bill.

3. Accordingly, all Exporters/CHAs are hereby directed to incorporate aforementioned declaration in lieu of SDF form in the Shipping Bill. The declaration as mentioned above should be furnished as part of declaration in the Shipping Bill with immediate effect.
