NEW CUSTOM HOUSE, NEAR IGI AIRPORT, NEW DELHI-110037

C.No VIII/12/ACE/SHED/MEAT/S.BILL/1976/2017

PUBLIC NOTICE NO. 16/2017-18

Subject: Export of Meat & Meat Products-reg.

Kind attention of the members of Trade/Importers/Exporters is invited to D.O. letter Ref. MPD/Meat/2017 dated 27.10.2017 of Sh. D K Singh, Chairman, APEDA, Ministry of Commerce & Industry, Government of India wherein it has been informed that under the current Trade Policy, the export of boneless buffalo meat (ITC HS code 0202) and offals of buffaloes (ITC HS Code 0206) are allowed subject to the fulfilment of the conditions stipulated under the policy which also includes that meat products for export should mandatorily be sourced from APEDA registered meat processing plants. The procedures for the plant registration and list of registered plants are available on APEDA website i.e. www.apeda.gov.in under the icon "quality".

2. Further, in order to ensure that each registered plant exports only the authorized quantity of meat and meat products, APEDA has introduced Meat.Net since April 2015 which is an internet based electronic service for issue of on-line health certificate by the designated state veterinary officer for each export consignment. The Health Certificate bears a QR code which provide details of the processing plants. The system of on-line issuance of Health certificate by the designated Veterinary authorities was made mandatory w.e.f 1st April, 2017.

3. Accordingly, only the health certificates issued on-line by the State Veterinary Authorities will be accepted for allowing export of meat and meat products. Any problems in following the online procedure may be brought to the notice of Deputy/Assistant Commissioner, Export Shed,
