**Sub: ICES Advisory 008/2017(GST)-Alignment of State Codes of
ICES with GSTN-Implementation of Changes in ICES-reg**

Kind attention of the members of Trade/Importers/Exporters is invited to the implementation of GST in India w.e.f. 01.07.2017 and ICES Advisory 008/2017(GST) on subject captioned above. In this regard, several changes are anticipated in BE/SB declarations in alignment with proposed GST implementation.

2. Currently in ICES, State Codes are maintained as per RBI list, and are being used for declaration in Bills of Entry and Shipping Bills for various purposes (State of Origin in shipping Bill and State Code for VAT Registration).

3 As an initial step towards GST implementation, the state codes are being aligned with Census Codes, the ones used for GST purpose. The list of State code is given in Annexure-I. NIC RES package has already been modified to reflect this change. This change is proposed to be implemented from 14.06.2017.

4. The difficulties, if any, may be brought to the notice of Local System Manager or National System Manager (nsm.ices@icegate.gov.in)
