PUBLIC NOTICE NO. 02 /2018

Attention of the Trade and all the Authorized Courier is hereby invited to the Board's Circular no. 59/2016-Cus dt. 02.12.2016, wherein the matter related to the difficulty faced by the trade, in obtaining permission each time, to outsource any of the components in the door to door supply chain, was discussed.

2. Vide the above referred Circular, the Board has bifurcated the activities of the authorized courier into two categories namely CORE ACTIVITIES and NON-CORE ACTIVITIES. With regards to Non-Core activities Board has decided that for functions namely **pick-up or local delivery of export/imported courier packages/shipments, transportation for officials and housekeeping activities permission will not be required, and only Prior intimation would suffice.** However, it is pertinent to mention here that such intimation should be supported by valid Service Agreement(s) with entities to whom such services are being outsourced under intimation only. In absence of complete and valid documents, the intimation given to this office would not be taken on record and appropriate action under Courier Imports and Exports (Electronic Declaration and Processing) Regulations, 2010 [CIER, 2010] would be initiated against the authorized courier.

3. Excluding these non-core activities, all the other activities fall in the category of CORE ACTIVITIES and for these activities prior permission of outsourcing from the competent authority is mandatory in light of Board's Circular no. 33/2010-Cus dt. 07.09.2010.

4. Accordingly, the trade and all the authorized Couriers are hereby informed that before outsourcing any of the **CORE ACTIVITIES**, all the authorized courier are required to take prior permission from the competent authority, failing which stringent action as per the provisions of Courier Imports and Exports (Electronic Declaration and Processing) Regulations, 2010, would be initiated against such authorized couriers.
