- i} Once importer declares the intention to use Duty Credit Scrip, during filing of Bill of Entry, he will not be allowed to change that option at assessment stage.
- ii} If the duty payable as per the Bills of Entry is more than whole amount available in the scrip/s, then whole amount available in the scrip/s needs to be used for payment of duty.
- iii} If the duty payable as per Bill of Entry is less than the credit amount available in scrip/s, then total duty amount needs to be paid by using scrip/s.

5. The aforesaid provisions are subject to policy conditions regarding importability provisions under the duty credit scrips.
