PUBLIC NOTICE NO. 07/2020

Sub: Customs working on 24x7 at ICD Tughlakabad -reg.

Attention of the importers, exporters, Customs Brokers and all other stakeholders is invited towards various decisions related to 24x7 customs clearance at designated ports communicated through CBIC circulars from time to time. Though, ICD Tughlakabad is not one of the designated port for 24x7 customs clearance, presently the working in respect of examination and out of charge is already in place for Saturdays (except second Saturday).

2. Due to ongoing shutdown in China on account of Corona virus outbreak, there is an apprehension of disruption in supply of raw materials/ inputs to our industrial units which were dependent on these raw materials. There could also be a dip in off take in exports to China. On the contrary, there is a strong likelihood of an immediate surge in the imports from and export to China once the spread of the virus is brought fully under control.

3. To handle such emergent situations, it has been decided to adopt further measures to effectively strengthen the working so as to address any congestion or delay or surge on account of the prevailing conditions or cessation thereof. Working hours of all assessment groups shall be suitably extended and deployment of sufficient number of officers would be ensured for the customs clearance work outside regular office hours to tackle any incipient instance of congestion/ surge or delay. The custodian and other stakeholders are also being requested to extend the clearance related work after regular office hours, to tackle such a situation.

4. To monitor the situation closely and to ensure prompt redressal of issues, a dedicated Helpdesk has been created at the import shed at ICD, Tughlakabad. Deputy Commissioner Shri Sanjay Jain (sanjay.jain@icegate.gov.in) and Superintendent Shri Satender Kumar Yadav (mob. 9990180103, tel.
